

**CSREES Liaisons to Regional Administrative Groups Associated with the  
National Association of State Universities and Land Grant Colleges (and other partner organizations)**

**October 1, 2007**

**CSREES Vision:** To improve the lives of people worldwide through an agricultural knowledge system sustained by the innovation of scientists and educators.

**CSREES Mission:** To advance knowledge for agriculture, the environment, human health and well-being, and communities.

**CSREES Functions:** 1) Program leadership to identify, develop, and manage programs to support university-based and other institutional research, education and extension.

2) Fair, effective, and efficient administration of Federal assistance implementing research, education and extension awards and agreements.

**Responsibility of CSREES Liaisons for Regional and Administrative Groups**

1. Represent CSREES in meetings of the regional or administrative group by keeping abreast of issues, opportunities, people and programs in CSREES and presenting information related and responsive to the mission and interests of the regional and administrative groups with which you interact.
2. Share information, recommendations and actions of the regional and administrative groups with CSREES leadership and staff.
